OCTOBER NOTES!

Have you been singing? Has your heart found its lost love song to the Lord? Last month I challenged us all to sing our way to the end of the year. Have you found your song? Bro. Bob shared sometime earlier that singing is one thing that **we** do, that the angels **don't** do.

October 8, we'll have a chance to sing and to learn some more about songs and Scripture and how God inspires them both. Bro Phil Jones will not be able to be our emcee for the evening. But Bro. Daniel has graciously consented to step up into this role. Come and join us for a great time of fellowship. **And bring your Bible!**

Covid is still affecting us. Please be careful and do everything you can to stay healthy, 2 Tim. 1:7 says, *"For God has not given us the spirit of fear, but of power, and of love, and of a sound mind."*

So let us not be afraid, but let us be wise. Wash your hands often; cover your coughs or sneezes; eat healthy, get plenty of rest; and keep on coming to church and worshipping our Lord, singing and making melody in our hearts. I look forward to seeing you here with a song in your heart and a smile on your face.

Bro. Carl
